

QGraphicsScene

```
classDiagram
    class QGraphicsScene
    class SceneScene["Scene.Scene"]
    SceneScene --|> QGraphicsScene
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text 'QGraphicsScene'. Below it is a gray rectangular box with a thick black border containing the text 'Scene.Scene'. A solid blue arrow points vertically from the top center of the 'Scene.Scene' box to the bottom center of the 'QGraphicsScene' box, indicating that 'Scene.Scene' inherits from 'QGraphicsScene'.

Scene.Scene
